Gregory L. Hillyer is a Board Certified, Registered Patent Attorney licensed to practice law in Washington, D.C., Maryland, Florida and Pennsylvania. Mr. Hillyer has litigated and tried a wide variety of cases throughout the country, in both federal and state courts, involving patents, trademarks, trade dress, copyrights, trade secrets and false advertising. His experience in the field of patent law is extensive and includes litigation, procurement, counseling, due diligence, freedom to operate, patentability studies, opinion work and serving as a patent expert.

Mr. Hillyer has experience with a variety of technologies including pharmaceuticals, biotechnology, organic and inorganic chemistry, industrial processes, over-the-counter medicines, cosmetics, veterinary products, medical and mechanical devices, polymers, films and finishes, electronics, telecommunications, computer related inventions, business methods, automotive accessories, conventional power generation and alternative energies. Mr. Hillyer has worked as a patent agent for the DuPont Pharmaceutical Company and a synthetic organic chemist for DuPont Merck Research Laboratories in both the medicinal and process divisions, where he authored several publications. Mr. Hillyer also served as an Adjunct Professor of Chemistry at Wingate University.

Mr. Hillyer is listed in *Best Lawyers in America*[®] for Intellectual Property Law and has been recognized by several other legal publications for excellence in the field. Mr. Hillyer is the author of several publications and a frequent lecturer on patent related topics. Mr. Hillyer also enjoys teaching trial advocacy. He is currently serving as an Adjunct Professor at American University Washington College of Law and is a former Adjunct Professor at Temple University James E. Beasley School of Law. Prior to joining Feldman Gale, P.A., Mr. Hillyer developed his courtroom skills as a Philadelphia Public Defender. Prior to that, Mr. Hillyer served as a Scientific Advisor and Associate Attorney at Philadelphia's largest intellectual property law firm.

Mr. Hillyer shares the firm's commitment to pro bono work and the advancement of public causes. He currently provides counsel to "It's Our Story", a national, non-profit initiative to raise awareness and change attitudes toward people with disabilities by making their history publicly accessible through video and other means.
