RICHARD GUERRA is a registered patent attorney concentrating in the areas of commercial and intellectual property litigation, including patent, trademark, copyright and trade secret litigation. Mr. Guerra has prepared and prosecuted patent applications for various fields of invention, including but not limited to medical devices, simple and complex mechanical devices, and chemical processes. Mr. Guerra has also represented various clients in all aspects of litigation, including jury trial, in both federal and state court practice, as well as representing clients in alternative dispute resolution and out-of-court negotiations and settlements. Mr. Guerra has received Intellectual Property Law Board Certification from the Florida Bar.

Mr. Guerra received his Juris Doctor from George Washington University School of Law and his Bachelor in Science degree in Cell and Molecular Biology from Tulane University.
