

**W**ith more than 20 attorneys, Feldman Gale is an intellectual property law firm with offices in Miami, Florida and Los Angeles, California. The Firm represents clients in complex litigation in a variety of areas that include patents, trademarks, copyrights, trade secret, unfair competition, covenants-not-to-compete, advertising injury, entertainment and computer and Internet law. Our practice also includes trademark registration and intellectual property transactional and licensing work.

The combination of seasoned trial attorneys and registered patent attorneys allow us to provide aggressive, focused and cost-effective representation in emergency injunction proceedings as well as more traditional, discovery-intensive litigation. Feldman Gale attorneys have litigated hundreds of contested court proceedings, including jury trials, bench trials and injunction hearings involving complex and highly technical commercial disputes. We make regular appearances in state and federal courts throughout the country as well as
